## Description

FRESHLY DETAILED, SERVICED AND IN THE WATER!

The Caymas 341 CC packs tournament pedigree into a family-friendly footprint. Michael Peters' SVVT stepped hull lets you run faster, burn less fuel, and stay dry when the weather turns sporty, while an elevated helm keeps sight-lines clear. Up front, flip-out bow seating combined with extended console lunger give plenty of options for seating, fishing or storage. Below, the console hides a porcelain head and Corian sink with added Rod storage. Serious anglers get a 70-gallon Hooker-pumped livewell, Large fore-and-aft fish boxes, and Rod Holders throughout. Add in the generous 10-foot beam and you've got a boat that's equal parts hardcore fishing machine and sunset cruiser—perfectly dialed for anglers who won't compromise.

DON'T MISS OUT ON THIS LOW HOUR BEAUTY!
